

Warm Springs/South Fremont Community Plan Open House

Warm Springs Community Center
47300 Fernald Street, Fremont
January 16, 2014, 6:30 pm to 8:30 pm

The City of Fremont is holding an Open House to introduce the Warm Springs/South Fremont Community Plan to the public and to explain how to provide written comments to the City. The format of the meeting is as outlines below.

Welcome Open House

6:30 to 7:00 pm An open house format, where the public can mingle with staff and the consultants. Staff and the consultants will be stationed at five tables around the periphery of the room:

Table 1 Community Plan (staffed by Perkins+Will, architects and urban planners)

Table 2 Draft Environmental Impact Report (EIR), transportation/circulation (staffed by FirstCarbon Solutions, environmental consultants, and Fehr and Peers, traffic consultants)

Table 3 School (staffed by Fremont Unified School District representatives)

Table 4 City Public Works, infrastructure projects (staffed by the Fremont Public Works Department)

Table 5 City Economic Development (staffed by the Fremont Economic Development Department)

Presentations

7:00 to 8:00 pm Presentations as follows:

Introductions and overview of meeting - Eileen Goodwin, Apex Strategies (City consultant for community outreach)

Background and overview of project - Jeff Schwob, Community Development Director, City of Fremont

School - Dr. James Morris, Superintendent, Fremont Unified School District

Community Plan - Perkins+Will

Draft EIR - FirstCarbon Solutions and Fehr and Peers

Wrap Up Open House

8:00 to 8:30 pm Return to the open house format for any final questions from the public.
